Independence Day – 15th August 2026

“Freedom: A Legacy to Cherish”

Independence Day at Sri Vijay Vidyalaya was a heartfelt celebration of freedom, pride and patriotism. The campus came alive in the colours of the Tricolour as students and teachers gathered to honour the sacrifices of our freedom fighters.

Patriotic songs, inspiring speeches and vibrant cultural performances filled the day with national pride. More than a celebration, the occasion reminded our students that freedom is not merely a gift from the past, but a responsibility for the future.

With courage in our hearts and love for our nation, let us continue to build an India that is united, compassionate and strong.

Learning Through Creativity

Our school organised a series of engaging activities for students across different classes, providing them with opportunities to learn, express themselves and develop confidence.

My Costume Parade – Classes I & II

The little ones delighted everyone with their colourful and creative costumes. The parade encouraged imagination, confidence and joyful participation.

Freedom Heroes Role Play – Classes III to V

Students stepped into the roles of great freedom fighters and brought their inspiring stories to life. The activity helped them learn about our national heroes in an interesting and memorable way.

Invitation Card Making – Classes VI to VIII

Students explored their creativity by designing attractive and thoughtful invitation cards. The activity encouraged artistic expression, neatness and attention to detail.

These activities made learning enjoyable while helping students develop creativity, confidence and important life skills.

ANNUAL SPORTS MEET 2026

Date-22 August 2026

Venue-SVVD

A Celebration of Spirit, Strength and Teamwork

On 22nd August 2026, the TVMD Campus came alive with excitement, energy and sporting spirit as Sri Vijay Vidyalaya Matric Higher Secondary School, Dharmapuri hosted its much Annual Sports Meet & Vijay Vibrant. It was an afternoon where the school grounds transformed into a vibrant arena of enthusiasm, discipline and healthy competition.

The programme began on a dignified note with the Prayer Song, Welcome Address, Introduction and Felicitation of the Chief Guest Thiru. P. Abdul Gafoor Deputy Superintendent of Police, followed by the ceremonial Flag Hoisting, Inspection of the Troops, March Past and Oath Taking. These moments beautifully reflected the values of discipline, commitment and sportsmanship that form an integral part of school life.

The sporting events brought out the best in our young athletes. The cheerful KG Students' Parade set the tone for the celebrations, while the 100-metre and 200-metre dashes witnessed remarkable speed, determination and competitive spirit. The excitement reached its peak during the 4 × 100-metre relay, where teamwork, coordination and trust turned every baton exchange into a moment of anticipation.

Adding colour, rhythm and creativity to the day were the spectacular drill performances. The Sunflower Drill by Classes III–V, the energetic Zumba performance by Classes I–II, and the impressive Guitar Drill by the boys of Classes VI–VIII captivated the audience. The Korean Umbrella Drill by the girls of Classes VI–VIII added elegance and visual charm, while the grand Chinese Long Fan and Flag Drill by Classes IX & XI created a memorable finale of coordination and splendor.

The event was also a celebration of achievement, with prize distributions recognising the efforts of students across various events, culminating in the presentation of the Overall Championship. Yet, beyond the medals and trophies, the true triumph was seen in every student who stepped onto the field with courage, gave their best and learned the value of perseverance.

The inspiring words of the Chief Guest, the Grand Finale, the Flag Hand Over Ceremony and the National Anthem brought the event to a meaningful close

The Vijay Vibrant Sports Meet 2026 was not merely a competition; it was a celebration of young dreams in motion—a day that taught our students that victory is not only about finishing first, but about having the courage to participate, the strength to persevere and the grace to celebrate together

ONAM & MILAD-UN-NABI SPECIAL ASSEMBLY 26TH AUGUST 2026

“Many Traditions, One Heart”

The Special Assembly celebrating Onam and Milad-un-Nabi was a beautiful reflection of India's spirit of unity in diversity.

The vibrant traditions of Onam brought warmth, joy and togetherness, while the message of Milad-un-Nabi reminded us of the timeless values of peace, kindness, compassion and love.

As our students came together to celebrate two meaningful occasions, the assembly beautifully conveyed a simple truth: our traditions may be different, but the values that unite us are universal.

It was a celebration not just of festivals, but of harmony, respect and togetherness.

ACO'S MESSAGE

THE TEACHER WHO PLANTS TOMORROW

“Education is not the art of filling a child’s mind with information; it is the art of awakening the mind to possibilities.”

A teacher enters a classroom with a lesson plan, but leaves behind something far more valuable—a thought, a question, a confidence, or sometimes simply the courage to try again.

At Sri Vijay Vidyalaya, education is not confined to textbooks and examinations. It is a journey of nurturing young minds, shaping strong character and preparing students to face the world with confidence, discipline and compassion. Every classroom becomes a space where knowledge meets values and every child is encouraged to discover their own potential.

Every student is a different story. Some learn quickly, some need time; some speak confidently, while others remain silent. The true responsibility of a teacher is not to make every child identical, but to discover what makes each child capable. The teachers of Sri Vijay Vidyalaya strive to recognise these individual strengths and guide every learner with patience, encouragement and care.

Marks measure performance, but they cannot measure curiosity. Attendance records presence, but they cannot measure participation. A textbook contains lessons, but life provides the real examination.

That is why the role of a teacher goes beyond completing a syllabus. At Sri Vijay Vidyalaya, teachers inspire students to think, question, participate, take responsibility and learn from both success and failure. Through academics, co-curricular activities, sports, celebrations and everyday interactions, students are given opportunities to grow not only as learners, but as responsible individuals.

A great teacher does not merely ask, “What did the student learn today?” A great teacher also asks, “What kind of person is this student becoming?”

The most meaningful teaching often happens beyond the blackboard—when a teacher listens to a struggling child, encourages a disappointed student, corrects a mistake without humiliating, and believes in a child before the child learns to believe in himself.

At Sri Vijay Vidyalaya, this quiet commitment to every child forms the heart of education. Teachers become mentors, motivators and role models, creating an environment where students feel valued, supported and inspired to become their best selves.

Years later, students may forget formulas, definitions and examination questions. But they rarely forget the teacher who made them feel that they mattered.

A teacher does not simply teach a subject. A teacher quietly shapes a future that he or she may never get to see.

And that is the unseen beauty of education at Sri Vijay Vidyalaya.

We teach today, nurture today, and inspire today—but our real work belongs to tomorrow.

For every lesson we teach is a seed,

Every value we nurture is a root,

And every child we guide is a future waiting to bloom.

With warm regards

Prasanna Kumar. C

TEACHER'S CORNER

A Place Where Young Minds Blossom

Sri Vijay Vidyalaya Boys Higher Secondary School, Dharmapuri is more than a place of learning—it is a place where young minds are nurtured, dreams are encouraged and character is shaped.

With its spacious campus, green surroundings and well-maintained grounds, the school provides a positive environment where students learn, grow and discover their potential. Along with academics, the school gives importance to discipline, sports, values and responsibility, helping students become confident and compassionate individuals.

As a new High School Teacher, I feel truly proud and honoured to be part of this wonderful institution. It is a privilege to witness and contribute to the journey of young minds as they learn, dream and grow.

Sri Vijay Vidyalaya Boys is not just building students for tomorrow—it is nurturing dreams, shaping character and inspiring young hearts to shine.

High School Teacher

STUDENT CORNER

A Journey of Love and Learning At Sri Vijay Vidyalaya Matric Higher Secondary School, Dharmapuri, education goes beyond textbooks. The school provides a positive environment where knowledge, creativity and values come together, encouraging students to discover their talents and grow into confident, responsible individuals.

One such beautiful expression is the touching story “Mother’s Voice.” It portrays an astronaut exploring the Moon while listening to a recorded conversation with his mother. Her loving voice takes him back to Earth—its green orchards, flowing rivers, fields and simple joys. Though he is surrounded by the wonders of the Moon, he realises that nothing can replace the beauty and warmth of his home, Earth.

The story carries a deeper lesson about caring for nature. Earth is our precious home, giving us air, water, trees, food and countless forms of life. We must therefore protect it through simple actions such as planting trees, saving water, reducing plastic and keeping our surroundings clean.

Most importantly, the story reminds us of the everlasting power of a mother’s love. Her voice gives the astronaut comfort even across the vastness of space.

Through such creative learning, Sri Vijay Vidyalaya inspires its students to dream, learn, care and make a difference—because true education is not only about knowing the world, but also about loving and protecting it.

PARENTS CORNER

The School That Shapes Our Future

A school is much more than a building—it is a temple of learning, a place where dreams take shape, and a second home for every child. Each morning, the school bell opens the door to a world of endless possibilities.

The true beauty of school lies in its dedicated teachers and warm, friendly environment. Teachers become our guiding lights, patiently correcting our mistakes, encouraging our talents and inspiring us to achieve greater things. Beyond academics, school gives children opportunities to explore sports, arts and science, while forming friendships and memories that last a lifetime.

A good school lays the foundation for a bright future by nurturing knowledge, discipline, confidence and strong values. It is a place where children learn not only what to think, but also how to dream, discover and become better human beings.

“A school plants the seeds of knowledge today, so that our children can bloom into confident and compassionate individuals tomorrow.”

Mrs. Shakila Bhanu

A Proud Parent of Shayan Ahmed of 9B3
